Dear Adam:

Please accept my most sincere appreciation for the time and effort you put forth in helping me and Frank find the **perfect** home in the Northwoods! We can honestly say that you exceeded our wildest expectations and, for this reason, we are truly grateful.

We were incredibly fortunate to have the opportunity to work with you. Who knew, the day we walked into your office, that we were meeting with the most fabulous realtor in all of Minocqua!? Your listening skills are outstanding and your intuition... exceptional! Within a short time of providing you with our specs, you pulled listings that were right on target. I believe that having lived in the Northwoods all of your life provides you, as a realtor, with an edge over others who may not have that experience. There is **no doubt** that you will have a long, successful career as a Northwoods realtor!

After deciding on our home, you were immensely helpful in providing us with updates and information on various matters related to the purchase. Your follow-up skills are second to none...and they kept us on the ball! You were keenly aware that the fact we were moving from Florida to Wisconsin was an enormous undertaking and you did everything in your power to make our transition as painless as possible! Thank you!

Not only was it great to find a realtor who quickly tapped into our needs, it was even better to have such a high-spirited rapport with you! We were able to conduct our business and have a **great** time with lots of laughs in the process!

What more could we ask for?!

Many, many thanks!

Sincerely,

Michele (& Frank!)
